HiRe Solutions

Description

Full Stack Web Developer

This full-time role is in Des Moines IA. There is no remote work offered at this time and relocation is required. We are seeking a Full Stack Web Developer who thinks strategically.

Responsibilities

You will work strategically with Marketing and other business entities. The Full Stack Web Developer is responsible for developing and maintaining both front-ends (UX/UI) and back-ends for multiple existing Drupal platform websites and web applications. This role collaborates with the marketing team's stakeholders and teammates on creating best in class UX and architecture of web applications. This position is responsible for technical quality assurance, cross-browser issues, and mobility issues, as well as creating and building new experiences.

Qualifications

Skilled in Drupal or WordPress, React, PHP, HTML5, CSS3, JavaScript, MySQL, JSON, and Git

Excellent problem-solving, development, and debugging skills Strategic mindset – not just technical

Flexible and able to work effectively and proactively in a fast-paced environment with minimal supervision

Organized and can quickly prioritize multiple tasks

Effective communication (written and oral) and teamwork skills

Ability to learn new tools and technologies quickly

BS in Computer Science, Web Development, Software Engineering, or related field (or equivalent combination of education and experience)

3 to 8 years+ of web development experience

Experience designing, building, and maintaining RESTful APIs

Built websites and web applications from start to finish

Applicants for employment in the US must have work authorization that does not now or in the future require sponsorship of a visa for employment authorization in the United States. (i.e., H1-B visa, F-1 visa (OPT), TN visa or any other non-immigrant status).

Job Benefits

Client offers a comprehensive benefits package including medical, dental, retirement and savings plans, life insurance, employee assistance program, identity theft and a wellness reimbursement program. They also reward associates' hard work with profitability bonuses, education financial assistance, a casual dress code, free fruit as part of their associate wellness initiative and an early office close every Friday at 3 p.m.
